

May 28, 2025

**Attention:** Rajib Raychaudhury  
DELVAL FLOW CONTROLS USA LLC  
6535 INDUSTRIAL DRIVE SUITE 103  
GEISMAR, LA 70734

The design submission, Tracking Number 2025-03201, Web Portal Number 2025-S2588, originally received on May 14, 2025 was surveyed and accepted for registration as follows:

**CRN :** 0C25173.2 **Accepted on:** May 28, 2025

**Reg Type:** NEW DESIGN **Expiry Date:** May 28, 2035

**Drawing No. :** PC.BFV.004.01\_R4-02/2024

**Fitting type:** valves

Design registered in the name of : DELVAL FLOW CONTROLS PVT LTD

**The registration is conditional on your compliance with the following notes:**

*CRN covers only valves that are in full compliance with ASME B16.34, Table 1,2&3 .CRN also covers valves design to API 609 if these valves are in full compliance with ASME B16.34 , Table 1, 2&3.*

*As indicated on AB-41 Statutory Declaration or AB-351 Declaration of Conformity form and submitted documentation, the code of construction are B16.34 and other engineering analysis.*

- It is our understanding that the fitting(s), included as the scope of this submission, that is(are) subject to the Safety Codes Act shall comply with the requirements of the indicated Standard or Code of Construction on the AB-41 Statutory Declaration or AB-351 Declaration of Conformity as supported by the attached data which identifies the dimensions, materials of construction, press./temp. ratings and the basis for such ratings, and the identification marking of the fittings.*
- This registration is valid only for fittings fabricated at the location(s) covered by the QC certificate attached to the accepted AB-41 Statutory Declaration or AB-351 Declaration of Conformity form.*
- This registration is valid only until the indicated expiry date and only if the Manufacturer maintains a valid quality management system approved by an acceptable third-party agency, and maintains a valid Certification of Authorization Permit if required by the jurisdiction where manufacturing takes place, until that date.*
- Should the approval of the quality management system lapse before the expiry date indicated above, this registration shall become void.*

An invoice covering survey and registration fees will be forwarded from our Revenue Accounts.

If you have any question don't hesitate to contact me by phone at (587) 686-9318 or fax (780) 437-7787 or e-mail Grynchuk@absa.ca.

Sincerely,

GRYNCHUK, MILLA, P. Eng.  
DOP Cert. No. D00005217

**STATUTORY DECLARATION**  
**Registration of Fittings**  
Single or Multiple Fitting Designs within one Fitting Category

I, Arun Shiroor, Managing Director  
(name of applicant) (position title) (must be in a position of authority)  
of DelVal Flow Controls Pvt Ltd  
(name of manufacturer)

located at Gat#25, Kavathe, Post Javale, Tal: Khandala, Dist Satara 412801 Indi  
(plant address)

In this space, show facsimile of  
manufacturer's logo or trademark  
as it will appear on the fitting.

do solemnly declare that the fittings listed hereunder, which are subject to the Safety Codes Act  
(select only one)

- ☒ comply with the requirements of ASME B16.34 & API 609 which specifies the dimensions,  
(title of recognized North American Standard)  
materials of construction, pressure/temperature ratings and identification marking of the fittings, or
- ☐ are not covered by the provisions of a recognized North American standard and are therefore  
manufactured to comply with \_\_\_\_\_ as supported by the  
(title of code of construction or other applicable document)  
attached data which identifies the dimensions, materials of construction, pressure/temperature ratings  
and the basis for such ratings, and the identification marking of the fittings.

I further declare that the manufacture of these fittings is controlled by a quality control program which has  
been verified as described in the below Table as being suitable for the manufacturing of these fittings to the  
stated standard, regulation, code, guideline or other applicable document. The fittings covered by the  
declaration for which I seek registration are as provided in the Supplementary Sheet(s) attached.

**Quality Program Verification and Manufacturing Sites**

A copy of the Quality Certificate from each manufacturing site must be included

| Item # | Product Description, Model or Series | Quality Program | Scope of Certification              | Expiry Date | Verifying Organization | Location(s) Plant Name and address |
|--------|--------------------------------------|-----------------|-------------------------------------|-------------|------------------------|------------------------------------|
| 1.     | HP BFV Series 44/45/46/49            | ISO 9001        | Design, Manuf., After Sales Service | 2025-07-28  | DNV                    | Gat#25, Kavathe, Dist.Satara,      |
| 2.     |                                      |                 |                                     |             |                        |                                    |

In support of this application, the following information, calculations and/or test data are attached:

**Declaration:**  
I, Rajib Raychaudhury (see note 3), employed by DelVal Flow Controls LLC, USA and being the person having full authority and responsibility for the quality of the end product do solemnly declare that the information contained in this form is true to the best of my knowledge represents the product for which registration is sought. The dimensions, materials of construction, pressure temperature ratings, and identification markings are in accordance with the herein named standards. I further declare that the manufacture of these fittings is regulated by a Quality Control Program which extends to each plant where fabrication occurs in whole or in part and has been verified by DNV as being suitable for that purpose and I make this solemn declaration conscientiously believing it to be true, and knowing that it is of the same force and effect as if made under oath.

Signature of Declarer: Rajib Raychaudhury

**Declaration:**

I Rajib Raychaudhury (see note 3) employed by DelVal Flow Controls LLC, USA and being the person having full authority and responsibility for the quality of the end product do solemnly declare that the information contained in this form is true to the best of my knowledge represents the product for which registration is sought. The dimensions, materials of construction, pressure temperature ratings, and identification markings are in accordance with the herein named standards. I further declare that the manufacture of these fittings is regulated by a Quality Control Program which extends to each plant where fabrication occurs in whole or in part and has been verified by DNV as being suitable for that purpose and I make this solemn declaration conscientiously believing it to be true, and knowing that it is of the same force and effect as if made under oath.

CRN: 0C25173.2

FID#: \_\_\_\_\_

Notes:

1. All Fittings shall be registered in the name of the Manufacturer.
2. Each Category shall be supported with two Statutory Declaration forms and one copy of supporting documentation.
3. The Declaration shall be made by the person having full authority and responsibility for the quality of the end product.
4. Quality Control programs shall be resubmitted for validation.

Scope: Cl.150, 300. Sizes to 48". CRN covers only valves that are in full compliance with ASME B16.34, Table 1, 2 & 3. CRN also covers valves designed to API 609 if these valves are in full compliance with ASME B16.34, Table 1, 2 & 3. (DGallant)

## **Declaration:**

I Rajib Raychaudhury (see note 3) employed by DelVal Flow Controls LLC, USA and being the person having full authority and responsibility for the quality of the end product do solemnly declare that the information contained in this form is true to the best of my knowledge represents the product for which registration is sought. The dimensions, materials of construction, pressure temperature ratings, and identification markings are in accordance with the herein named standards. I further declare that the manufacture of these fittings is regulated by a Quality Control Program which extends to each plant where fabrication occurs in whole or in part and has been verified by DNV as being suitable for that purpose and I make this solemn declaration conscientiously believing it to be true, and knowing that it is of the same force and effect as if made under oath.

Signature of Declarer: Rajib Raychaudhury

Declared before me at Cresmar, Louisiana

This 23<sup>rd</sup> day of June AD 2025

Commissioner of Oaths Brenda Kadant

Or Notary Public: (sign) Brenda Kadant

**Declaration:**  
 I **Rajib Raychaudhury** (see note 3) employed by **DelVal Flow Controls LLC, USA** and being the person having full authority and responsibility for the quality of the end product do solemnly declare that the information contained in this form is true to the best of my knowledge represents the product for which registration is sought. The dimensions, materials of construction, pressure temperature ratings, and identification markings are in accordance with the herein named standards. I further declare that the manufacture of these fittings is regulated by a Quality Control Program which extends to each plant where fabrication occurs in whole or in part and has been verified by **DNV** as being suitable for that purpose and I make this solemn declaration conscientiously believing it to be true, and knowing that it is of the same force and effect as if made under oath.

**Declaration:**

I Rajib Raychaudhury (see note 3) employed by DelVal Flow Controls LLC, USA and being the person having full authority and responsibility for the quality of the end product do solemnly declare that the information contained in this form is true to the best of my knowledge represents the product for which registration is sought. The dimensions, materials of construction, pressure temperature ratings, and identification markings are in accordance with the herein named standards. I further declare that the manufacture of these fittings is regulated by a Quality Control Program which extends to each plant where fabrication occurs in whole or in part and has been verified by DNV as being suitable for that purpose and I make this solemn declaration conscientiously believing it to be true, and knowing that it is of the same force and effect as if made under oath.

## **Declaration:**

I Rajib Raychaudhury (see note 3) employed by DelVal Flow Controls LLC, USA and being the person having full authority and responsibility for the quality of the end product do solemnly declare that the information contained in this form is true to the best of my knowledge represents the product for which registration is sought. The dimensions, materials of construction, pressure temperature ratings, and identification markings are in accordance with the herein named standards. I further declare that the manufacture of these fittings is regulated by a Quality Control Program which extends to each plant where fabrication occurs in whole or in part and has been verified by DNV as being suitable for that purpose and I make this solemn declaration conscientiously believing it to be true, and knowing that it is of the same force and effect as if made under oath.

**Declaration:**  
I Rajib Raychaudhury (see note 3) employed by DelVal Flow Controls LLC, USA and being the person having full authority and responsibility for the quality of the end product do solemnly declare that the information contained in this form is true to the best of my knowledge represents the product for which registration is sought. The dimensions, materials of construction, pressure temperature ratings, and identification markings are in accordance with the herein named standards. I further declare that the manufacture of these fittings is regulated by a Quality Control Program which extends to each plant where fabrication occurs in whole or in part and has been verified by DNV as being suitable for that purpose and I make this solemn declaration conscientiously believing it to be true, and knowing that it is of the same force and effect as if made under oath.

**Canadian Registration Number:** 0C25173.21

**Re: Application for Design Registration**

The design, as detailed in your Design Portal application 118111 for a Pressure Fitting is registered with the following notes and considerations:

|                          |                              |
|--------------------------|------------------------------|
| <b>Registered To:</b>    | DELVAL FLOW CONTROLS PVT LTD |
| <b>Project Name:</b>     | 118111                       |
| <b>Drawing #:</b>        | PC.BFV.004.01_R4-02/2024     |
| <b>Drawing Revision:</b> | N/A                          |

**Conditions of Registration:**

(1) Fitting Registration Expiry Date: 28-May-2035 (2) The registration is valid until the indicated expiry date only if the Manufacturer maintains a valid quality management system approved by an acceptable third-party agency until that date. Should the approval of quality management system lapse before the expiry date indicated above, this registration shall become void.

**Reviewer's Notes:**

Any additional conditions and considerations from the initial province of registration shall apply to this BC registration.

Full details of this submission including the scope of registration, design conditions, fabrication details, and calculations pertaining to this design are located in the above Admin Number on the Design Portal. For all other enquiries, please contact [eim@technicalsaftybc.ca](mailto:eim@technicalsaftybc.ca).

**Dear Kristine Trepanier,**

**Re: Reciprocal CRN Registration in Manitoba**

As indicated by the Regulatory Reconciliation and Cooperation Table and the Reconciliation Agreement for the Canadian Registration Number (CRN) for Pressure Equipment, the design reviews conducted and accepted by the Canadian province or territory, or their delegated safety authority, will be mutually recognized in the Province of Manitoba. If a registration is conditionally based on compliance with the notes set by the original issuing Jurisdiction, such compliance shall be applied the same to this Province.

Your submission has been registered, as follows:

|               |                              |
|---------------|------------------------------|
| File Number:  | 74-R5308                     |
| CRN:          | 0C25173.24                   |
| Scope:        | PC.BFV.004.01_R4-02/2024     |
| Manufacturer: | DELVAL FLOW CONTROLS PVT LTD |
| Expiry Date:  | 28 May 2035                  |

Along with this letter is the invoice for registration.

In addition, every Pressure Vessel, Boiler, and Heat Exchanger shall be stamped with the registration number and as required by CSA Code B51, a Manufacturer's Data Report (MDR) must be forwarded to this office immediately at the time a unit is shipped to Manitoba. Send your MDR to [gasupport@gov.mb.ca](mailto:gasupport@gov.mb.ca). In your subject line, indicate "*Manufacturer's Data Report-CRN No.*" A fee shall be billed to the Manufacturer to process data reports in accordance with the Steam and Pressure Plants Regulation section 17.1.

Please contact [gasupport@gov.mb.ca](mailto:gasupport@gov.mb.ca) for any questions or concerns.

**Objet : Enregistrement des plans et devis – Confirmation de l'enregistrement**

Bonjour,

Nous vous informons que votre demande d'enregistrement de plans et devis a été traitée et que cette conception a été enregistrée sous le numéro d'enregistrement canadien (NEC\CRN) suivant : **0C25173.26**.

Nous portons votre attention sur certaines exigences réglementaires concernant les installations sous pression, ainsi que des codes et normes qui y sont associés :

- Le fabricant doit maintenir un programme de contrôle de la qualité valide pour fabriquer un équipement selon ce NEC;
- Ce numéro d'enregistrement demeure valide tant et aussi longtemps que les paramètres de conception demeurent inchangés. Dans le cas d'accessoires, l'enregistrement est valide pour une durée de 10 ans à partir de la date d'enregistrement. Les documents de conception doivent alors être resoumis pour validation;
- Le fabricant doit nous transmettre une copie de la *Déclaration de conformité du constructeur (Manufacturer's Data Report)* pour chaque appareil ou chaudière fabriqué selon ce NEC dans les 30 jours suivant la signature de cette déclaration;
- Le numéro de dessin enregistré et le numéro de révision doivent être indiqués sur la déclaration de conformité pour les équipements fabriqués selon ce NEC.

Le présent avis d'approbation ne dégage pas le fabricant de ses responsabilités quant à la conception ou à la construction des équipements ou d'accessoires fabriqués selon un NEC.

Salutations distinguées,

Direction des équipements sous pression

**Subject: Design registration confirmation**

Hi,

We wish to inform you that your design registration application has been evaluated and that it was registered under the following Canadian Registration Number (CRN): **0C25173.26.**

The following is a reminder of your obligations regarding certain requirements of the regulation respecting pressure vessels, and the referenced codes and standards:

- The manufacturer must maintain a valid quality control program to manufacture equipment according to the CRN.
- The CRN remains valid as long as there are no changes to the design calculations that might affect the pressure boundary. The design registration of fittings expires 10 years after acceptance. It must, therefore, be resubmitted for validation.
- The manufacturer shall submit a copy of the *Manufacturer's Data Report* to us for each boiler or pressure vessel manufactured according to this CRN within 30 days following the signing of this report.
- The drawing number and the revision number registered under this CRN must be indicated on the *Manufacturer's Data Report* for equipment manufactured according to the CRN.

This notice of approval does not relieve the manufacturer of their responsibilities with respect to the design or fabrication of equipment manufactured according to this CRN.

Yours sincerely,

Direction des équipements sous pression

## Statutory Declaration Registration of Fittings

Building Act (B-1.1)  
Regulation respecting pressure vessels (B-1.1, r. 6.1)  
Boiler, pressure vessel, and pressure piping code (CSA B51)

This declaration must be filled out and sent to the Régie du bâtiment du Québec (RBQ) by pressure fitting manufacturers when they make an application registration for fittings.

For more information on the application registration for fittings, consult the [www.rbq.gouv.qc.ca/fittings-pv](http://www.rbq.gouv.qc.ca/fittings-pv).

### 1. Fittings to register

List the fittings included in this declaration and that you wish to register.

| N° | Description                             | Additional information (detail, calculations or approval sheets) |
|----|-----------------------------------------|------------------------------------------------------------------|
| 1  | High Performance BFV Series 44/45/46/49 | Literature Attached: PC.BFV.004.01-R4_02/2024                    |
| 2  |                                         |                                                                  |
| 3  |                                         |                                                                  |
| 4  |                                         |                                                                  |
| 5  |                                         |                                                                  |

### 2. Declaration of the person in charge

The person in charge is someone in a position of authority, such as a vice-president, a plant manager or a chief engineer.

|                                                                                                                                                                                                                                                                                               |                                                                       |

| (Location)                                                                                                | (Date (yyyy-mm-dd)):              |
| Signature of commissioner for oaths: <u>Brenda LaDart</u>                                                 | Date (yyyy-mm-dd): <u>6/23/25</u> |
| Stamp the seal:                                                                                           |                                   |
|                          |                                   |

### 4. Registration confirmation (for RBQ's use only)

|                                                                                                                                                                                   |                                                                                                                             |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------|
| As far as I know, this application complies with the requirements of the Act and with standard CSA B51, Part 1, section 4.2, and is accepted for registration in the class _____. |                                                                                                                             |
| This registration expires in ten (10) years after the date of registration indicated above, and it must be validated again after this period.                                     |                                                                                                                             |
| Canadian registration number (CRN):<br><br><b>The code of construction is B16.34</b>                                                                                              | Registration date (yyyy-mm-dd):<br><br> |

#### Documents to attach

Any application registration for fittings must include these documents:

- Statutory Declaration Registration of Fittings (2 copies)
- Detailed calculations or burst test report (1 copy)
- Detailed technical drawings or catalogues (2 copies)
- Example of the manufacturer's marking (1 copy)
- Proof that a valid and approved quality control program has been implemented (1 copy)
- Form Application for design registration (1 copy)

#### Sending the form

This declaration is mandatory in order to submit an application registration of fittings.

Application registration for fittings must only be sent by mail to this address:

Bureau d'expertise et d'homologation en équipements sous pression

Régie du bâtiment du Québec

**Workorder Type:** Registration - Fitting(Conventional)  
**Workorder No:** 14719806  
**Your Reference No.:** 2025-03201 - PORTAL#2025-S3565, CRN#0C25173.2  
**Registered to:** DELVAL FLOW CONTROL PVT LTD

Dear Kristine Trepanier,

Technical Standards and Safety Authority (TSSA) is pleased to inform you that your submission has been reviewed and registered as follows:

**CRN : 0C25173.25**

Main Design No.: PC.BFV.004.01\_R4-02/2024

Expiry Date: May 28, 2035

Registration Note: The logo affixed on the fittings will be "DeIVal Flow Controls" as per catalog.

Please be advised that a valid quality control system must be maintained for the fitting registration to remain valid until the expiry date.

The stamped copy of the approved registration and the invoice are mailed separately (There will be no hard copies for electronic submissions). Should you have any questions or require further assistance, please contact a Customer Service Advisor at 1.877.682.TSSA (8772) or e-mail [customerservices@tssa.org](mailto:customerservices@tssa.org). We will be happy to assist you. When contacting TSSA regarding this file, please refer to the Service Request number provided above.

Yours truly,

Junho Hong P.Eng. PE. PMP.  
Engineer, BPV

**STATUTORY DECLARATION**  
**Registration of Fittings**  
Single or Multiple Fitting Designs within one Fitting Category

I, Arun Shiroor, Managing Director  
(name of applicant) (position title) (must be in a position of authority)  
of DeIVal Flow Controls Pvt Ltd  
(name of manufacturer)

located at Gat#25, Kavathe, Post Javale, Tal: Khandala, Dist Satara 412801 Indi  
(plant address)

do solemnly declare that the fittings listed hereunder, which are subject to the Safety Codes Act  
(select only one)

- ☒ comply with the requirements of ASME B16.34 & API 609 which specifies the dimensions,  
(title of recognized North American Standard)  
materials of construction, pressure/temperature ratings and identification marking of the fittings, or
- ☐ are not covered by the provisions of a recognized North American standard and are therefore  
manufactured to comply with \_\_\_\_\_ as supported by the  
(title of code of construction or other applicable document)  
attached data which identifies the dimensions, materials of construction, pressure/temperature ratings  
and the basis for such ratings, and the identification marking of the fittings.

I further declare that the manufacture of these fittings is controlled by a quality control program which has been verified as described in the below Table as being suitable for the manufacturing of these fittings to the stated standard, regulation, code, guideline or other applicable document. The fittings covered by the declaration for which I seek registration are as provided in the Supplementary Sheet(s) attached.

**Quality Program Verification and Manufacturing Sites**

A copy of the Quality Certificate from each manufacturing site must be included

| Item # | Product Description, Model or Series | Quality Program | Scope of Certification              | Expiry Date | Verifying Organization | Location(s) Plant Name and address |
|--------|--------------------------------------|-----------------|-------------------------------------|-------------|------------------------|------------------------------------|
| 1.     | HP BFV Series 44/45/46/49            | ISO 9001        | Design, Manuf., After Sales Service | 2025-07-28  | <b>DNV</b>             | Gat#25, Kavathe, Dist.Satara,      |
| 2.     |                                      |                 |                                     |             |                        |                                    |

In support of this application, the following information, calculations and/or test data are attached:
