Tel: (780) 437-9100 / Fax: (780) 437-7787

September 03, 2025

Attention: Rajib Raychaudhury DELVAL FLOW CONTROLS USA LLC 6535 INDUSTRIAL DRIVE SUITE 103 GEISMAR, LA 70734

The design submission, Tracking Number 2025-04472, Web Portal Number 2025-S3677, originally received on July 08, 2025 was surveyed and accepted for registration as follows:

CRN:

0C25463.2

Accepted on: September 03, 2025

Reg Type:

NEW DESIGN

Expiry Date: September 03, 2035

Document No. CRN-DO-35-002 & CRN-DO-35-004 As Noted

Fitting type:

35 series valves 3" to 24", Class 600

Design registered in the name of: DELVAL FLOW CONTROLS PVT LTD

The registration is conditional on your compliance with the following notes:

2025.10.24 - Please note that this letter supersedes the letter issued on 2025.09.03

CRN covers only valves that are in full compliance with ASME B16.34, Tables 1,2,3 & 4. Valves made of unlisted materials in B16.34 as A999 4a/5a/6a and B148 C 95400 are not included into this registration. Valves designed to API 609 are included into this registration if the Valves are also in full compliance with ASME B16.34, Tables 1,2,3& 4.

As indicated on AB-41 Statutory Declaration or AB-351 Declaration of Conformity form and submitted documentation, the code of construction is B16.34.

- It is our understanding that the fitting(s), included as the scope of this submission, that is(are) subject to the Safety Codes Act shall comply with the requirements of the indicated Standard or Code of Construction on the AB-41 Statutory Declaration or AB-351 Declaration of Conformity as supported by the attached data which identifies the dimensions, materials of construction, press./temp. ratings and the basis for such ratings, and the identification marking of the fittings.
- This registration is valid only for fittings fabricated at the location(s) covered by the QC certificate attached to the accepted AB-41 Statutory Declaration or AB-351 Declaration of Conformity form.
- This registration is valid only until the indicated expiry date and only if the Manufacturer maintains a valid quality management system approved by an acceptable third-party agency, and maintains a valid Certification of Authorization Permit if required by the jurisdiction where manufacturing takes place, until that date.
- Should the approval of the quality management system lapse before the expiry date indicated above, this registration shall become void.

An invoice covering survey and registration fees will be forwarded from our Revenue Accounts.

If you have any questions don't hesitate to contact me by phone at (587) 686-9318 or fax (780) 437-7787 or e-mail Grynchuk@absa.ca.

Sincerely,

GRYNCHUK, MILLA, P. Eng.
