

**QUALITY, ENVIRONMENT, OCCUPATION HEALTH AND SAFETY POLICY**

We at **DeVal Flow Controls Pvt. Ltd.**, are committed to:

- being a customer centric organization
- meeting and surpassing our customers’ expectations and requirements related to delivery terms and product performance in line with API Q1, API 6D, API 609, ISO 9001, ISO 14001, ISO 45001 and other applicable standards
- demonstrating excellence and maintaining Quality, Environmental, Occupational Health and Safety (QEOHS) performance in an ongoing manner, with the respective system and product standards
- preventing environmental pollution, injuries and/or ill-health of all stakeholders and aiming to maintain ZERO accident level
- complying with applicable legal and other requirements related to QEOHS
- continually improving the QEOHS system performance

We shall achieve this by:

- effectively implementing the QEOHS Management System
- ensuring employee awareness and engagement
- allocating the necessary resources
- optimizing the consumption of natural resources and energy conservation
- periodically setting and reviewing QEOHS objectives and targets
- periodically assessing QEOHS risks and environmental impacts
- training employees as well as relevant interested parties

We shall communicate this policy to all persons working for and on behalf of the DFCPL and make it available to the public on request.
